RE: PROCEDURAL REMINDERS FOR TRASH /
RECYCLING

WE ARE HAVING REPEATED VIOLATIONS
OF A FEW SIMPLE RULES:

- A) **TRASH** - Should be placed in large bin in tied or sealed paper or plastic bags.
- B) **CARTON / BOXES** – Must be broken down – flattened to conserve space and be placed in large dumpster (not stacked in corners or placed in dumpster un-flattened – PLEASE) Any furniture must be dismantled.
- C) **RECYCLING** – To be dumped loosely in container (not bagged) No plastic bags in recycling bin.
- D) **NEWSPAPERS** – Same as recycling. Please NO bags in the recycling bins.

Your cooperation is encouraged and expected. Thank you for the extra effort.
